**Please find below and/or attached an Office communication concerning this application or proceeding.**

**Commissioner for Patents**

Applicants' representative called to ask if the Information Disclosure Statements filed 9-29-08 and 5-15-09 had been considered. A copy of the IDS filed 9-29-08 indicating it had not been considered is in the electronic file (a two page document with Xs across each page). The IDS filed 9-29-08 was not considered because the citations were not on the correct form or in the proper format. The IDS filed 5-15-09 was considered, but the initialed copy has not been entered into the electronic file. Accordingly, the IDS filed 5-15-09 has been re-considered, and an initialed copy is attached herewith. If applicants believe there are particular references within the IDSs that are especially relevant to the issues at hand in the instant application, it is incumbent upon applicants to point to such references more specifically.

Inquiry concerning this communication or earlier communications from the examiner should be directed to Michael C. Wilson who can normally be reached at the office on Monday through Friday from 9:30 am to 6:00 pm at 571-272-0738.

Any inquiry of a general nature or relating to the status of this application or proceeding should be directed to (571) 272-0547.

Patent applicants with problems or questions regarding electronic images that can be viewed in the Patent Application Information Retrieval system (PAIR) can now contact the USPTO's Patent Electronic Business Center (Patent EBC) for assistance. Representatives are available to answer your questions daily from 6 am to midnight (EST). The toll free number is (866) 217-9197. When calling please have your application serial or patent number, the type of document you are having an image problem with, the number of pages and the specific nature of the problem. The Patent Electronic Business Center will notify applicants of the resolution of the problem within 5-7 business days. Applicants can also check PAIR to confirm that the problem has been corrected. The USPTO's Patent Electronic Business Center is a complete service center supporting all patent business on the Internet. The USPTO's PAIR system provides Internet-based access to patent application status and history information. It also enables applicants to view the scanned images of their own application file folder(s) as well as general patent information available to the public.

For all other customer support, please call the USPTO Call Center (UCC) at 800-786-9199.

If attempts to reach the examiner are unsuccessful, the examiner's supervisor, Peter Paras, can be reached on 571-272-4517.

The official fax number for this Group is (571) 273-8300.
